### Preferred Citation

Anne J. Sweeney Papers. Eskind Biomedical Library Special Collections, Vanderbilt University Medical Center, Nashville, TN.
Historical or Biographical Note

Anne J. Sweeney (1914-1984) was a medical social worker and author. She received her MSSW from Catholic University in 1936. She was a social worker at Vanderbilt University Hospital from 1937-51. She then served as a medical consultant for the Tennessee Department of Health from 1951-1957. She returned to Vanderbilt first as an instructor and later was promoted to Assistant Professor of Preventative Medicine from 1957-1973. She also was an investigator and research coordinator of the NIH project "Experimental Studies in Hereditary Deafness," 1966-1974.

Collection Description

Personal papers of medical social worker and Vanderbilt professor Anne J. Sweeney (1914-1984). Materials include: biographical material; biographical files (on others); correspondence; manuscripts; and files of research on hereditary deafness, syphilis/penicillin Study.
